GEN. & REV. SECTT. PR. 2 7. SEP. 1926 G. D. SECTION. SIR

I & C 121 - 26-1

SUPPLY OF DUTY FREE SALT.

Adverting to Government Order No: 5825-6/I&C.168-21-15 dated 22nd March 1923 laying down the Rules and safeguards for supply of Duty Free Salt for manufacturing purposes, I have the honour to state that there is a firm of Tannery at Frenchrocks, Messrs: Madar Sahib and Sons, who are supplied with Duty Free Salt once a month. At present salt from Madras is booked to Bangalore, and the quantity to the firm has to be rebooked to Frenchrocks which involves some delay and inconvenience not only to the Firm but also to the Agent who is clearing the consignments involving on the latter additional expenditure. Further, under condition 6 of the Government Order of the 22nd March 1923 above referred to, the Director of Industries and Commerce or any subordinate gazetted officer deputed by him has to inspect the salt store room and accounts. This could better be done by a stationery officer of the place, than an officer of this Department who has to travel for the purpose and the clearing Agent's and the Firm's convenience will also have to be consulted. To avoid all this inconvenience, I consulted the District Magistrate, Mysore, if he could permit the Special Magistrate of Frenchrocks to attend to these duties, and he has agreed to do so provided the condition 9 is suitably modified.

I therefore recommend that condition 9 may be modified as "The salt store room and the accounts relating to the Duty

Free Salt shall be subject to Inspection by the Director of Industries and Commerce, or any other subordinate Gazetted Officer deputed by him, or other Gazetted Officer in the Locality whom (he/the Director of Industries and Commerce) may, in consultation with the immediate superior of such Local Gazetted Officer (may) depute for the purpose"

Early orders are requested.

I have the honour to be,

Sir,

Your most obedient servant,

OFFG: DIRECTOR.
